

Evolv-CS supports the management of agency resources including Facilities and Resource Families, in order to maintain effective service application. Evolv-CS captures comprehensive, multi-level facility and detailed foster family information, including information on individual family members.

Additionally, Evolv-CS offers extensive resource family and facilities reporting, so agency professionals can easily monitor foster families, bed availability and utilization. The system also supports agency recruitment efforts.

Applicant Tracking (Home Study & Licensing)

- Records demographics, income information, employment history, treatment history and much more for each applicant and corresponding family members.
- Maintains references for all applicants.
- Allows for multiple applications for each applicant on file.
- Agencies can easily record applicant inquiry history and by what means inquiries occurred (phone, walk-in, etc.).
- Monitors and records applicant members' training and agency-defined requirements.
- Maintains applicants' historical status records.
- Using the MyEvolv feature, assigned workers can easily access applicant information for easier documentation.

Host Home / Resource Family Information

Foster Home: Aquilino (Id#:565656)	
Vendor:	Ms. Ellen Aquilino (Id#:12345678)
Address:	3 Pawnee Dr, Commack, NY 11725
Programs:	Foster Care (In-Patient)

Foster/Adoption/Host Homes & Family Day Care

- Offers agencies the ability to pay or create invoices to pay foster homes.
- Agencies can easily maintain historical records of home status.
- Ability to track and report on Permanency Plan Goals complete with target dates.
- Events scheduling based on scheduling rules and qualifications can easily be defined and used for meeting mandated requirements for licensing.
- Tracks non-family members such as baby-sitters.
- Using the MyEvolv feature, assigned workers can easily access resource family information for easier documentation.

Family Member Information

- Maintains all information on household members and their roles in the home.
- Offers the ability to record demographics, income information, employment and treatment history and much more for each family member in a foster home.

Members of Home	Gender	DOB	Role
Aquilino, Ellen	Female	03/15/1960	Mother
Aquino, Fatimah	Male		Cousin
